KEKAI blends experience, design, and warmth in each of its products. Adapting to every space for you to always feel better at home.

Enjoy the best moments on your home's living room with their decorative electric fireplaces. They warm the area and add a relaxing touch as well.

'Iowa' can be easily installed wherever you want: you can **mount it on the wall** or use its **legs** to place it over a flat surface.

Complete the experience with its **LED light flame and log effect**. Adjust it and enjoy a cozy space. This effect is available even when you don't have the heating system on.

You can **adjust the brightness** and the **power (1000/2000W)** with its **remote control**.

It is available on black with a sophisticated and versatile design, and a **curved tempered glass front** that fits the room decoration.

Enjoy all the benefits of having a silent and nice electric fireplace at home.
