KEKAI blends experience, design, and warmth in each of its products. Adapting to every space for you to always feel better at home.

Enjoy the best moments on your home's living room with their decorative electric fireplaces. They warm the area and add a relaxing touch as well.

If you are looking for an elegant option with a good size to install on your wall, we introduce you the 'Montana' fireplace. Available on black, with a **curved tempered glass front** and created to be **wall-mounted** on your home indoors.

It has **two power positions: 1000/2000 W** that will let you obtain the heat you are looking for. Complete the experience with its **flame and log LED light effect**. It offers both a relaxing touch and a decorative detail to your room. LED lights are independent and can be used even when the heating system of the fireplace is off. Control them and get the atmosphere you wish for with its **remote control**.

This fireplace offers a complete experience that includes a versatile and functional design and the possibility to obtain the temperature you look for with a relaxing lighting for you to live your most memorable moments.
