KEKAI blends experience, design, and warmth in each of its products. Adapting to every space for you to always feel better at home.

Enjoy the best moments on your home's living room with their decorative electric fireplaces. They warm the area and add a relaxing touch as well.

Heat your living room with its 'Jersey' model, which allows you to regulate between its **two power options: 1000/2000W** and create a cozy atmosphere thanks to its **flame and log effect**. Set your preferences with its **remote control**.

You can use the lighting effect without turning on the heat.

Turn the fireplace into the central relaxation point of the room. This model was designed to **install on a wall**. It is available in black and with a **curved tempered glass front**.

Perfect to complete a sophisticated environment with a nice temperature.
