KEKAI blends experience, design, and warmth in each of its products. Adapting to every space for you to always feel better at home.

Enjoy the best moments on your home's living room with their decorative electric fireplaces. They warm the area and add a relaxing touch as well.

It's 'Alaska' model stands out because of its sophisticated rectangular white design and its **flat tempered glass front**.

It can be **wall-mounted** or placed on a table thanks to its **base support**.

Complete a relaxing atmosphere with its **flame and logs effect**, which works with **LED light**. You can **adjust the flame brightness** until you get the illumination you desire. It also has **two power options: 1400/1600W**.

Set your preferences with its **remote control**, which allows you to turn it on, off, set its timer or choose its power. You can also do it on its **tactile control panel**.

Achieve the atmosphere you strive for with this fireplace.
