KEKAI blends experience, design, and warmth in each of its products. Adapting to every space for you to always feel better at home.

Enjoy the best moments on your home's living room with their decorative electric fireplaces. They warm the area and add a relaxing touch as well.

'Kentucky' is perfect to be **wall-mounted** or to place it on a table thanks to its **base support**. It is design to generate heat and offer a relaxing **flame and log picture** to complete the experience.

This effect is possible because of its **LED light** and can **function without having to turn on the heating system**.

Elegant and versatile. Its rectangular shape, black color and **resistant flat tempered glass** will easily adapt to your spaces and keep a contemporary decoration style while offering a cozy touch for you to feel as if you were in front of a real fireplace.

Set your preferences with its **remote control**. You will be able to **adjust the flame brightness**, turn the heating system on and off and **choose the heat power**.
