

Split PTC 2000w

SKU: KTP2080

EAN: 8445401003779

KEKAI blends experience, design, and warmth in each of its products. Adapting to every space and moment for you to always feel better at home.

Its electric heaters are an efficient and practical option to keep a nice temperature on your home's rooms. The wall ceramic fan 'Split PTC' offers heat and practicality thanks to its **two power options: 1000/2000 W**. This model requires to be installed on the wall and you can set it up with its **remote control**. **Adjust the temperature to your comfort, it goes from 10 to 49 °C**.

It is a great option for bathrooms thanks to its **IPX2 moisture resistance**. It also offers an **up to 12 hours timer** and **overheating protection**, so you don't have to worry about anything.
